CLEANING WOOD FLOORS

Clean Regularly & Properly

- Sweep and vacuum often
- Mop with minimal water
- Dry as you go

Match Your Cleaner to Your Floor's Finish:

Oiled: cleaner with a small amount of oil to nourish the surface.

Lacquered: cleaner without oil to protect the sealed topcoat.

Simple Daily Care

- Entrance mats catch dirt
- Felt pads on furniture
- Lift furniture instead of dragging it
- Wipe spills immediately
- Trim pet claws

Do Not Use

- Steam mops
- Harsh chemicals
- Excess water
- Abrasive tools
